2. [REDACTED] priority needs for Communist China town plans are (a) LAN'CHOU and (b) HSI-AN. FC&C's town plan for LAN'CHOU is now being printed and that for HSI-AN is scheduled for June 1960. The HSI-AN study will be based on relatively recent aerial photography and should therefore be quite accurate and complete.

3. [REDACTED] priority needs for North Korea town plans are as follows:

P'yongyang (Latest info available is ACRAPAC Map dated June 1953)  
 Najin (Latest Map available is Army Map Service - info dated 1950)  
 Hungnam (Latest map available is Army Map Service - September 1956)  
 Hamhung (Latest map available is Army Map Service - September 1956)  
 Wonsan (Latest map available is Army Map Service - September 1956)  
 Unggi (Latest maps available are based on info dated 1950 and 1951)

You will note that FC&C has scheduled its North Korean production for some-time in fiscal year 1961.

4. Again, many thanks for the excellent service your office has rendered to [REDACTED]
